Narrative

On Friday, August 24, 2012, while assigned to marked unit west-6, I was traveling east on Broadway when my LPR alerted me to MA reg , a brown Cadillac Escalade, with revoked

insurance, parked in front of 968 Broadway. Broadway is a public way as defined by the city of Somerville.

I pulled my cruiser behind the vehicle and entered Larry's Haircutting Zone, located at 968 Broadway. I recognized the owner of the vehicle, from his license photo from CJIS sitting down in the shop. I asked defendant if he was the owner of the brown Cadillac Escalade parked out front and he replied "Yes." I then asked him if he knew his insurance was revoked. Again he replied, "Yes, I know." I then asked him if he knew that it was illegal for him to be driving an uninsured vehicle in MA. He replied "I know but I only needed to come here for a few minutes." I then requested defendant's license and registration. He then told me he did not have either his license nor registration on his person or in his vehicle. I then told defendant that both of those documents should always be on his person and in his vehicle. I then informed defendant that his plates would be confiscated and held at the Somerville Police station until he was able to provide proof of valid, active insurance, and that his vehicle would be allowed to be towed to his residence and parked in a private lot.

Respectfully Submitted,

Officer Ashley Catatao - 299
